## PROFESSIONAL EXPERIENCE

**Accenture Pvt. Ltd, Bengaluru**

**Nov 2020 - Present**

### Application Development Analyst

Client - Rabobank Netherlands. Rabobank provides a wide range of financial services, including retail banking, corporate banking, asset management, and agricultural lending. With a commitment to sustainability and community involvement, Rabobank plays a significant role in supporting agricultural and food-related initiatives, both domestically and internationally.

#### Accomplishments:

- Conducted a comprehensive end-to-end regression testing cycle on Flexcube version 12.3, encompassing cross-functional testing as well.
  - Developed and refined the automation test suite, streamlining its efficiency and performance.
  - Discovered root causes of problems and identified appropriate solutions.
  - Collaborated closely with team members to address troubleshooting and debugging tasks.
  - Conducted system analysis and implementation to maintain and improve computer systems.
  - Followed agile model of Software Development Life cycle.
  - Worked on providing support for End of Day Activities.
  - Worked on Swift Messages used across different modules in core banking.
-
