📇 SUMMARY

Senior Software Engineer specialising in high-performance web apps with Angular, React, and JavaScript. Expert in optimisation, responsive design, and clean code. Experienced in REST API integration, UI enhancements, and Agile development.

🧠 TECHNICAL SKILLS

Angular (v8+) • JavaScript • TypeScript • Angular Material • HTML5 • CSS • RxJS • NgRx • State Management • Micro Frontends • Jasmine • Karma • Figma • SonarQube • Node.js • Lighthouse Tuning • UI/UX Enhancement • React • Express.js • REST APIs • Debugging • MongoDB • CI/CD (GitHub Actions, Jenkins) • Docker • AWS • Git/GitHub • Agile • Mentorship • Teamwork • Leadership • Domain agnostic

💼 PROFESSIONAL EXPERIENCE

Senior Software Engineer, Quantela
08/2023 – present
Hyderabad, India

- Built modular Angular components; improved performance (-17% load time) via lazy loading and change detection.
- Optimized bundle size by 5% through Lighthouse audits and SonarQube-driven code refinements, achieving 90% code coverage and eliminating 20% duplicate code.
- Architected 4 scalable feature modules with seamless API integration using Ngrx store (optimised API latency by 15%) while ensuring smooth UX flow.
- Mentored 4 junior developers to elevate team-wide Angular standards and better quality.

Senior Software Engineer, Easyecom
03/2023 – 07/2023
Bengaluru, India

- Revamped legacy UI with Angular Material, achieving WCAG 2.1 compliance and boosting average session time by 18%.
- Integrated REST APIS, optimized real-time processing, and minimized bugs by achieving 70% test coverage.
- Collaborated with the UX team to refine the user interfaces, resulting in a 15% increase in user engagement metrics and improved overall customer satisfaction.

Clearquote, Software Engineer
05/2022 – 01/2023
Bengaluru, India

- Spearheaded feature rollout speed by 35% by building a reusable component library and improving API response efficiency by 20%.
- Delivered Single Page App (SPA) deployed via AWS CI/CD, reducing deployment errors by 14% and enabling weekly releases.

Software Developer Intern, Flowace
08/2021 – 03/2022
Mumbai, India

- Developed reusable Angular components and implemented real-time dashboards featuring SQL integration.
- Created a comprehensive CSV report generator to elevate analytical capabilities.

🎓 EDUCATION

Bachelor of Computer Science and Engineering
07/2016 – 08/2020
Vasad, Anand, India
Graduated with 8.18 CGPA

🏅 AWARDS AND CERTIFICATES

Spot Reward, Quantela
Earned a Spot Reward in Quantela (October 2024) for outstanding contribution, commitment, and project success.
